Main logo & Rules of use

KubeTEE AI

Single-line Lockup

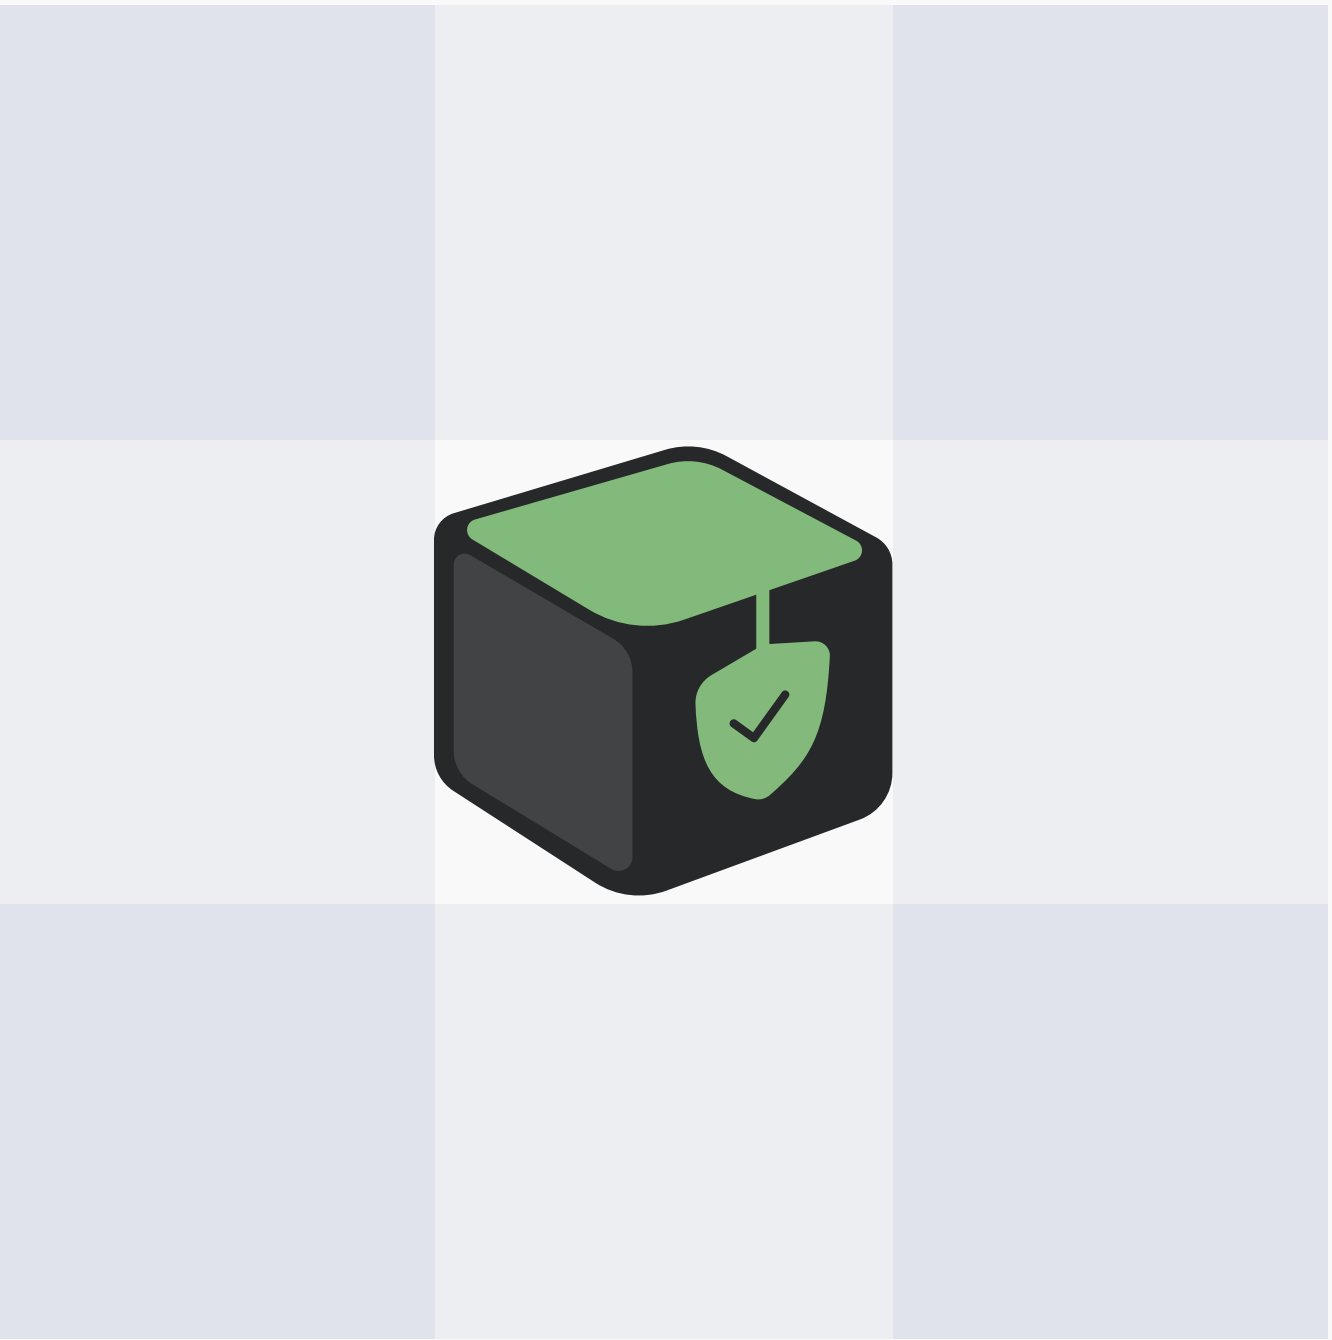

- Simplicity rules
 - Consistent experience
 - White space as the continent
- The KubeTEE logo emphasizes the brand name by combining elements of a teacup and a cube. The icon visually represents a teacup in the shape of a cube, aligning with the name "Kube." Instead of a traditional tea bag, a security symbol is used, highlighting the company's focus on safety and reliability.

Colors

WHITE		01	HEX	FFFFFF	
GREEN		02	HEX	83BB7B	
DARK		03	HEX	27282A	2025
Colors		Thee brand palette is important because these colors are unique to KubeTEE and should be synonomous with the brand. Used sparingly for important moments of support, assurance, delight, calls to action and especially moments of interaction between a user and the brand.
